

*What if there was a way to recruit new members, 'spread the word' beyond the four walls of your house of worship and increase donations all at the same time?*

MediaPOINTE's **Digital Ministry Station** does just that!

## MediaPOINTE DMS

The revolutionary new **DMS** records, streams and automatically publishes your services and special events ONLINE! It will stream your services over the internet to those that can't attend in person. Publishing special events and holiday services directly to the web and allowing members to purchase DVDs online creates a timeless keepsake to be cherished or gifted to loved ones. And all of your services can be published online and viewed on demand, collecting donations for your house of worship in the process.
